

INSTRUCTIONS

10 FT UNIVERSAL STEEL HAMMOCK STAND

COMPONENTS

- 2 x Base
- 1 x Crossbar
- 2 x Hammock Frame Bar
- 2 x Hook, Washer & Wingnut
- 5 x Bolt
- 1 x Carry Bag

BEFORE YOU START

- Unwrap all packaging materials.
- Make sure you have all the parts listed.
- Make sure that you have plenty of space and a clean, dry area for assembly.

ASSEMBLY INSTRUCTIONS

1. Place all pieces on the floor.
2. Connect the crossbar to the bases, ensuring to line up the holes. Screw the 3 bolts tightly into place.
3. Connect the hammock frame bars to the bases, ensuring to line up the holes. Screw the 2 bolts tightly into place.
4. On the outside of the hammock frame bar, place the hook into the appropriate hole to suit your hammock size, ensuring that the hook is facing downwards.
5. Screw the wingnut (and washer) to fix the hook securely.
6. Hang your hammock strings over the U-shaped end of the hammock frame bar and hook the loop of your hammock on to the hook (as per the photograph). The hammock should hang with only a slight curve when first fitted to accommodate weight. Adjust as the cotton stretches over time.

WARNINGS

10 FT UNIVERSAL STEEL HAMMOCK STAND

Failure to read the following instructions and safety warnings could result in serious injury or damage to property.

- This product is intended for a maximum of 200 kg. Do not exceed.
- This product should only be used on a firm, level surface. Ensure the frame remains in contact with the surface. Do not install on dangerous terrain such as on slopes, rocks or in bodies of water.
- This product contains small parts that can be swallowed by children and are a choking hazard. Keep all parts out of the reach of children.
- Do not use the product if parts are missing, damaged, or worn.
- Do not stand on the product.
- Do not allow children to use this product without the constant supervision of an adult.
- Always keep weight centred over the base when using this product.
- Inspect the hammock regularly for deterioration or damage. Do not use if worn or damaged.

CARE INSTRUCTIONS

- To clean, wipe with a sponge and warm soapy water then wipe with a dry, clean cloth. Do not use solvent based cleaners as they can bleach or damage the product.
- Never use a pressure hose or washer to clean the product.
- Never use scourers or abrasive chemical cleaners.
- For greatest longevity, store undercover or inside when not in use.
