

Pivot Wall Mount for Displays and Tablets 7" up to 22"

PVWM-101

This VESA tablet wall mount provides an elegant finish that streamlines your screen seamlessly with the decor of the room. It securely supports flat screens weighing up to 30lbs (13.6kgs) just 3.0-inch (76mm) from the wall, with 9.3" (236mm) of reach, 15 degrees of tilt, 90 degrees of swivel and 360 degrees of rotation. This design is ideal for displays where screen movement is required. Installation is quick and easy and compatible with a wide variety of monitors with 75mm x 75mm (3-inch x 3inch) or 100mm x 100mm (4-inch x 4-mch) VESA mounting hole patterns. This pivot wall mount works with all Mimo monitor screens which are VESA-compatible.

- Max display weight: 30lbs (13.6kg)
