Divine Decadence Massage Butter

Perhaps our **Divine Decadence Massage Butter** should be called **Body Butter**, or better still **Buddy Butter**. Whatever you call it, you're going to love the feel of this butter on the skin! Loaded with our Certified Organic Refined Shea, it has a generous amount of Butter EZ include to prevent graininess that can develop over time with shea or other butters. Cetyl Alcohol is added for increased summer heat stability, and Abyssinian Oil for its non-greasy feel. Finally, while this can be fragranced in any manner you choose, or left unscented, we've created it with Cocoa Absolute and Coffee Extract for a scent that is pure heaven in use. Enjoy!
