

From our Formulary **Honey Bath Drizzle**

Sweet, moisturizing and soothing. Inspired by Bella Luce's Manuka Honey Drizzle, this honey-based emollient bath drizzle is swoon-worthy decadence in the bath. Honey and glycerin combine with emollient safflower oil, and natural fruit acids add alpha and beta hydroxy acids for skin softening effects. Drizzle into your bathwater, lay back and delight in the scent of honey and citrus and experience the soothing, skin softening effect of this natural moisturizer. This formula is 92% natural!
