

Section 1: Company and Product Identification

Product Name: AromaFixTM

INCI Name: PPG-20 Methyl Glucose Ether

Material Uses: Active ingredient in cosmetic and personal care applications

Restrictions on Use: Repackaged for cosmetic use only

Company: Lotioncrafter LLC

48 Hope Ln

Eastsound, WA 98245 PH: 1-360-376-8008

Emergency Response: In USA, Canada and North America, 24 hour / 7 day emergency information for

our product is provided by the CHEMTREC Emergency Call Center based in the

USA.

USA, Canada, Puerto Rico, Virgin Islands CALL +1 800-424-9300 In case of difficulties or for ships at sea CALL +1 703-527-3887 In Europe, Middle East, Africa, Asia Pacific, South America CALL +1 703-527-

3887

Section 2: Hazards Identification

BLAN

BLANI

BLANK

Hazard Pictograms:

Signal Word: Not Applicable

Hazard Classification: This substance does not meet the criteria for a dangerous or hazardous

Hazard Category: Non-classified

Hazard Statements: Not Applicable

Precautionary Statements: Not Applicable

Other Hazards: None

Section 3: Composition / Information on Ingredients

Name	Hazard Category	CAS#	Weight %
Propoxylated alcohol	Not classified	61849-72-7	100%

Additional Information: For full text of H-statements and R-phrases: see SECTION 16

Section 4: First Aid Measures

Notable Exposure symptoms: Not expected to be a skin or eye irritant (based on available data). Non-toxic by

oral ingestion (based on nature of material). No other adverse clinical effects are known to be associated with exposure to this material. No immediate medical

treatment normally needed

If ingested: Treat symptomatically

If inhaled: Remove to fresh air if adverse effects are observed

Eye contact: Any material that contacts the eye should be washed out immediately with water.

If easy to do, remove contact lenses

Skin contact: Wash with soap and water. If skin irritation occurs, get medical attention

Section 5: Fire Fighting Measures

General Info: No unusual fire or explosion hazards noted. Material will not burn until water has

been evaporated. Container may rupture on heating. Water or foam may cause

frothing. Avoid streams of water. Use water spray

Extinguishing Method /

Equipment: Carbon dioxide (CO2), dry chemical, foam, halon, water spray (fog). Firefighters

should wear self-contained breathing apparatus (SCBA) and full protective equipment. Do not use direct or heavy water stream to fight fire as it may splash

burning liquid

Hazardous Decomposition Info: None known

Section 6: Accidental Release Measures

Personal precautions, protective

equipment and procedures: Ventilate area if spilled in confined space or other poorly ventilated areas. See

personal protection on Section 8

Environmental Precautions: Avoid release to the environment. Do not contaminate water sources or sewer.

Environmental manager must be informed of all major spillages. Prevent further

leakage or spillage if safe to do so

Containment Equipment and

Procedures: Dike far ahead of larger spill for later recover and disposal. Pick up free liquid for

recycle and/or disposal. Spilled liquid and dried film are slippery. Use care to

avoid falls

Cleanup Procedures: Pick up with absorbent material and collect for disposal. Refer to Section 8 for

protective equipment and Section 13 for disposal considerations

Section 7: Handling and Storage

Safe Handling Precautions: Observe good industrial hygiene practices. Provide adequate ventilation. Wear

appropriate personal protective equipment. Avoid prolonged or repeated contact with skin. Avoid breathing mists or vapors. Keep containers closed when not in use. Minimize contact with air to reduce contamination with mold, fungus, or other organisms which could cause decomposition or spoilage. Wash thoroughly

after handling

Recommendations for Storage: Store at room temperature and away from incompatible materials. Keep from

freezing

Specific End Use(s): Active ingredient in cosmetic and personal care applications

Section 8: Exposure Control / Personal Protection

Control Parameters: None of the components have assigned exposure limits

General / Engineering

Controls: Use material in a well ventilated area only. Adequate ventilation should be

provided so that exposure limits are not exceeded. Mechanical ventilation or local

exhaust ventilation may be required

Eye/face protection: If contact is likely, safety glasses with side shields are recommended

Hand Protection: Protective glovesUse good industrial hygiene practices to avoid skin contact. If

contact with the material may occur wear chemically protective gloves. Suitable

gloves can be recommended by the glove supplier

Body Protection: Coveralls, apron, and boots are necessary to minimize contact

Respiratory Protection: Consult with an industrial hygienist to determine the appropriate respiratory

protection for your specific use of this material. A respiratory protection program

compliant with all the applicable regulations must be followed whenever

workplace conditions require the use of a respirator

Thermal Hazards: None

Other: Observe good chemical hygiene practices, washing exposed areas of the skin

several times daily. Launder contaminated clothing before re-use

Environmental Exposure

Controls: Non-hazardous but avoid direct releases to the environment

Section 9: Physical and Chemical Properties

Physical State: Liquid **Appearance:** Clear

Color: Yellow Odor: Slight

Odor Threshold: No data available

pH: 5.0 - 8.0

Melting Point: No data available Freezing Point: No data available Boiling Point: >601°F (316°C)

Flash Point (COC): > 505°F (263°C) Auto-ignition Temperature: No data available Decomposition Temperature: 572°F (300°C)

> Evaporation Rate: No data available Relative Density: 1.1 68°F (20°C) Vapor Density: No data available Specific Gravity: No data available

Water Solubility: Soluble

Viscosity (cP): Not determined

Explosion Properties: None **Oxidizing Properties:** None

Partition coefficient: Not available

Other information: None available

Section 10: Stability and Reactivity

Reactivity: No data available

Chemical Stability: Material is stable under normal conditions

Possibility of Hazardous

Reactions: Will not occur

Conditions to Avoid: Do not freeze

Incompatible Materials: Strong oxidizing agents

Hazardous Decomposition

Products: Thermal decomposition or combustion may liberate carbon oxides and other toxic

gases or vapors. Irritating and toxic substances may be emitted upon combustion,

burning, or decomposition of dry solids

Section 11: Toxicological Information

Acute Toxicity: Oral LD50 (Rat): >5,000 mg/kg. Dermal LD50 (Rabbit): >2,000 mg/kg. Not

classified. All information based on test data of similar materials

Irritation: No data available Corrosivity: Not classified

Sensitization: Product is not a skin sensitizer

Repeated Dose Toxicity: No data available

Carcinogenicity: None of the components are listed as a carcinogen by IARC, NTP and OSHA

Mutagenicity: No data available **Toxicity for reproduction:** No data available

Section 12: Ecological Information

Toxicity: No data available

Aquatic Toxicity: (Fish) LC50 (Fathead Minnow, 4 d): >10,000 mg/l. (Aquatic Invertebrates) EC50

(Water Flea (Daphnia Magna), 2 d): >10,000 mg/l. (Microorganisms) EC50

(Bacteria, 0.6 d): >5,000 mg/l

Persistence and Degradability: Miscellaneous, 34%, 20 d

Bioaccumulative Potential: No data available

Mobility in Soil: No data available

Results of PBT and vPvB

Assessment: No data available

Other Adverse Effects: None known

Section 13: Disposal Information

Product disposal: Dispose of product in accordance with local, regional, and national regulations **Container disposal:** Dispose of container in accordance with licensed collector's sorting instructions

Other considerations: None

Section 14: Transport Information

DOT: Not regulated

IMDG: Not regulated

IATA: Not regulated

Transport in Bulk - Annex II of MARPOL73/78 and the IBC

Code: None known

Section 15: Regulatory Information

US Federal Regulations: TSCA 12(b) Export notification (40 CFR 707, Subpt. D): None present or none

present in regulated quantities

CERCLA Hazardous Substance

List 40 CFR 302.4: None present or none present in regulated quantities

SARA 311 Classifications: None known

SARA 302 Extremely

Hazardous Substance: None present or none present in regulated quantities

SARA 304 Emergency Release

Notification: None present or none present in regulated quantities

SARA 313 (TRI Reporting): None Present or none present in regulated quantities

US California Prop. 65: This product may contain chemical(s) known to the state of California to cause

cancer and/or birth defects. Additional information can be received upon request

Australia (AICS): All components are in compliance with chemical notification requirements in

Australia

Canada (DSL/NDSL): All components are in compliance with the Canadian Environmental Protection

Act and are present on the DSL

China (IECSC): All components of this product are listed on the Inventory of Existing Chemical

Substances in China

European Union (REACh): To obtain information on the REACH compliance status of this product, please e-

mail REACH@SDSInquiries.com

Japan (ENCS): All components are in compliance with the Chemical Substances Control Law of

Japan

Korea (ECL): All components are in compliance in Korea

New Zealand (NZIoC): All components are in compliance with chemical notification requirements in

New Zealand

Philippines (PICCS): All components are in compliance with the Philippines Toxic Substances and

Hazardous and Nuclear Wastes Control Act of 1990 (R.A. 6969)

Switzerland (SWISS): All components are in compliance with the Environmentally Hazardous

Substances Ordinance in Switzerland

Taiwan (TCSCA): All components of this product are listed on the Taiwan inventory

United States (TSCA): All components of this material are on the US TSCA Inventory

Section 16: Other Information

Indication of Changes: Version 2 created February 16th, 2018

HMIS Rating: 0-1-0

NFPA Rating: 0-1-0

List of Relevant R-phrases

(number and full text): Not applicable

Legal Disclaimer: Since the user's working conditions are not known to us, the information supplied

on this safety data sheet is based on our current level of knowledge and on

national and community regulations.

The product must not be used for any purposes other than those specified under

heading 1 without first obtaining written handling instructions.

Lotioncrafter provides the information contained herein in good faith but makes no representation as to its comprehensiveness or accuracy. This document is intended only as a guide to the appropriate precautionary handling of the material by a properly trained person using this product. Individuals receiving the information must exercise their independent judgment in determining its appropriateness for a particular purpose.
