KOSHER CERTIFICATE

October 1, 2019

TO WHOM THIS MAY CONCERN:

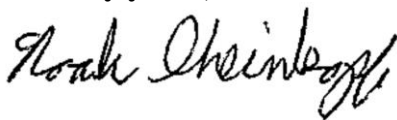

This is to certify that the kosher gelatin and collagen hydrolysate sold by Great Lakes Gelatin Company, Grayslake, IL, are made under my supervision in strict accord with orthodox Jewish dietary laws.

The aforesaid products are made exclusively from cattle bones or hides, chemically purged of all traces of extraneous substances so that the raw material is rendered pure collagen.

Such raw material, according to all major sources in Jewish law, is not included in any category of forbidden foods. Hence, gelatin and collagen hydrolysate made from this raw material is kosher and pareve for year-round use including Passover.

This certification is effective through September 30, 2020 and is subject to renewal at that time.

Sincerely yours,

Noah S. Sheinkopf
Rabbi
