WELCOME BACK TO SCHOOL!

Home & School is excited to welcome back new and familiar faces! With the support of super volunteers and generous families, last year we raised approx. \$20,000 for our school! For a detailed account of how we raised these funds, and where it was distributed, please refer to the Annual President's Report on our H&S website.

This year we will continue to offer as many services as we can to help simplify our busy lives. Our goal is to add a dash of fun and community spirit as we bridge our homes to our school. New ideas are always welcome.
