

Measure plans the fast, accurate way with the Scalex Plan Wheel™. Here's the perfect tool for taking scaled measurements from blueprints, maps, and plans. Just select the built-in scale factor to match the plan and roll the Plan Wheel. The measurement is displayed instantly.

- 52 built-in and 3 user-defined scale factors. Includes all common scales – imperial too.
- Measures in kilometers, meters, centimeters, feet, yards, miles and inches
- Calculates square and cubic dimensions for regular areas and volumes
- Counter and adder buttons on probe tip let you count items or add fixed lengths as you scale
- Calculate auto-scale factor from reduced, enlarged or odd-scale drawings
- Create, store and retrieve 3 user-defined scale factors
- Clear, audible tone indicates wheel movement
- Automatic shut-off assures long battery life
- Low battery indicator
