In-Weave Rug Care Instructions

Machine wash-gentle cycle, cool/warm water; Dry on low setting for 15 minutes, then line dry (hang from selvage-not fringe end). We recommend using "Color Catcher" by Shout to prevent any discoloration of the fringe when laundering. Use 1 sheet in wash water for 2 x 3 size, 2 sheets for 2 x 6 rug runner, 28" x 48" rug, 3 sheets for 3 x 5, 4 sheets for 4 x 6, etc. Area rugs-use 70-100 pound commercial laundromat machine or wash outdoors using hose/line dry. Note: expect to lose some fibers & always clean lint filter.

Rug Prices: Prices of popular sizes are given below. Sizes do not include fringe (adds about 4" - 6" to the length of the rug). Visit www.inweaverugs.com or call 1-800-646-9328 for prices of other sizes.
