

GLOBALWHEELS

ROAD BIKE RENTAL

Instructions for receiving delivery and return post of bicycle

1. Globalwheels will communicate with your accommodation to organize the delivery of the package. Please provide us with your hotel name or the contact of your Airbnb accommodation.
2. After you arrive at your accommodation the package should be already delivered for you to pick up. The package should look like this:

3. The bike, helmet, cycling gear and tools are package inside. The front and rear wheels come off and are on one side of the divider, and the frame will be on the other. See below:

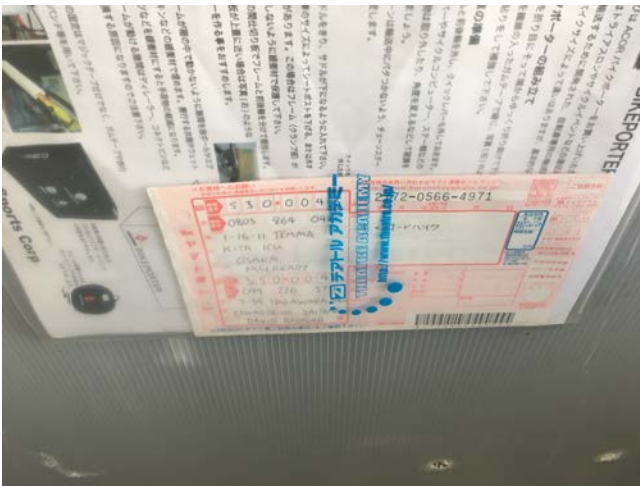

4. Take out the wheels, frame and cycling gear and simply use the quick release to put on the wheels. You will also need to put on the pedals using the tool provided. See below of the bike together outside the box:

5. After you have finished your cycling adventure simply pack the bike up and make sure to put the return postage slip in the label tag spot which is hanging from the outside the package. See below:

Return slip inside box

Place for return postage slip

6. Finally, simply leave the package with the hotel staff or if you are staying in an Airbnb with the room owner or in the room. We will do the rest and organize for it to be picked up!

That's it! We hope you enjoy your cycling adventure and any questions please get in touch.
