

# Decoding Complexities

Strategies in Diagnosis and Treatment of Migraine

2018

The following industry-supported symposia are held in conjunction with the Diamond Headache Clinic Research & Educational Foundation Meetings.

CARLSBAD, CALIFORNIA	ORLANDO, FLORIDA	CHICAGO, ILLINOIS
<p><b>DATE</b> SATURDAY, NOVEMBER 17, 2018 12:00PM-1:00PM</p> <p><b>LOCATION</b> Great Lakes Grand Ballroom (2nd floor) The Westin Michigan Avenue Chicago Chicago, Illinois</p> <p><b>DOWNLOADS</b></p> <p> SLIDES</p> <p> ADDITIONAL RESOURCES</p> <p>Updated materials will be available directly following the activity.</p> <p><a href="#">REGISTER NOW!</a> <a href="#">CME INFO!</a></p>	<p><b>FACULTY</b></p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p><b>Merle L. Diamond, MD</b> President, Managing Director, Diamond Headache Clinic Chicago, Illinois</p> </div> <div style="text-align: center;">  <p><b>Robert G. Kaniecki, MD</b> Director, UPMC Headache Center Assistant Professor of Neurology, University of Pittsburgh School of Medicine Pittsburgh, Pennsylvania</p> </div> </div>	

## AGENDA

**WELCOME AND SESSION OVERVIEW**  
LUNCH PROVIDED

**MIGRAINE DIAGNOSIS AND TREATMENT**  
MERLE L. DIAMOND, MD

**NEW AND EMERGING THERAPIES**  
ROBERT G. KANIECKI, MD

**QUESTION AND ANSWER SESSION**

**ADJOURNMENT**

## ACTIVITY AND CME INFORMATION

**TARGET AUDIENCE** This activity is designed for headache specialists and primary care physicians. Other healthcare professionals who care for patients with headache may also benefit from participation in the educational activity.

**ACTIVITY DESCRIPTION** Emerging therapies targeting new and diverse mechanisms of disease pathophysiology may be on the cusp of revolutionizing migraine treatment. Join expert faculty for this educational program as they detail advances in acute and preventive treatment of migraine and decode complexities of long-term headache management. Real-world cases will be presented from the patient's point of view describing scenarios encountered in the clinic, with the complicating factors of treatment failures and comorbidities. Throughout the interactive program, we invite participants to comment, answer, and pose questions to faculty on individual iPads® in real-time.

**LEARNING OBJECTIVES** Upon completion of this activity, participants should be able to

**1. DISCUSS** the prevalence and burden of migraine.

**2. DEVELOP** optimal plans for acute and preventive treatment of migraine, including difficult patients (eg, circumstance of prior treatment failures, contraindications, or comorbidities).

**3. EFFECTIVELY** engage patients in the diagnosis of migraine or other primary headache disorder (eg, establishing goals, developing a plan, and considering modifications).

**4. DESCRIBE** newly characterized mechanisms of migraine pathophysiology.

**5. ANALYZE** safety/efficacy profiles of new and emerging therapies for acute and preventive migraine treatment.

### CREDIT DESIGNATION STATEMENTS

**ACCME:** Forefront Collaborative designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ABPN MOC:** The American Board of Psychiatry and Neurology has reviewed Decoding Complexities: Strategies for Diagnosis and Treatment of Migraine and has approved this program as part of a comprehensive program, which is mandated by the ABMS as a necessary component of maintenance of certification.

**ABIM MOC:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**ACPE:** Purdue University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge based, continuing education activity of Purdue University, an equal access/equal opportunity institution. Universal Activity Number (UAN): 0018-9999-18-004-L01-P, 1.0 contact hours (0.1 CEU).

**ANCC:** Purdue University Continuing Nursing Education is accredited as a provider of continuing nursing education with distinction by the American Nurses Credentialing Center's Commission on Accreditation. This activity has been approved for 1.0 contact hour.

**AANP:** This education activity will be submitted to the American Association of Nurse Practitioners for approval of up to 1.0 contact hours of accredited education.

### ACCREDITATION STATEMENT

Forefront Collaborative is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### DISCLOSURE STATEMENT

Educational activities provided by Forefront Collaborative must demonstrate balance, independence, and scientific rigor. All those in a position to control the content of an activity must disclose all relevant financial relationship(s) with commercial interest(s). All additional planning committee members, reviewers, and Purdue and Forefront Collaborative staff have nothing to disclose. Full disclosures will be listed in the activity handout.
