

INVITATION TO ATTEND

SphenoCath use in clinical practice: A Free Clinical Workshop

**On Friday, February 15, 2019
5:00PM to 7:00PM**

**At the Omni La Costa Resort & Spa
Costa Del Sol Ballroom – Salon C**

Workshop Objectives:

- Review relevant clinical anatomy of the sphenopalatine foramen and its role in pain syndromes.
- Introduction of the **SphenoCath**[®] - a specialized catheter FDA cleared to assist delivery of anesthetic to the sphenopalatine foramen.
- Discuss experience using the **SphenoCath**[®] in clinical practice.
- Provide an opportunity to obtain hands on experience using the **SphenoCath**[®] device.

Presenter:

Wade Cooper, D.O., FACN – Director, Headache and Neuropathic Pain Clinic
University of Michigan, Departments of Neurology and Anesthesiology
