

FITTING INSTRUCTIONS FOR CR0036BK COTTON REELS WITH ADJUSTER BLOCKS
SUZUKI GSX-R600 2011

Please note that the way the kit is packed does not necessarily represent the way of mounting to the bike
Please note that in cases where kits are packed with rubber washers holding the components onto the bolt –
the rubber washers should be thrown away!

Please read all instructions before commencing fitting

- Raise the rear of bike on OEM paddock stand bobbin mounts (use cotton reels and bolts from new kit), support rear wheel (suggest using blocks of wood) to prevent wheel from dropping when rear spindle is removed.
- Undo the rear spindle nut.
- Remove the rear spindle and remove the OEM chain adjuster blocks.
- Place rear spindle through new adjuster block with slot so flats of spindle head sits into slot as shown above right.
- Slide spindle through swing arm, brake calliper and rear wheel ensuring new adjuster block sits in recess as original (shown above right).
- Fit the remaining new adjusting block over exposed end of spindle (ensure flat face is against swing arm face and into recess as original) shown above left.
- Refit the spindle nut and tighten according to the manufactures instructions and check chain adjustment.
- Remove bike from the paddock stand, and remove the cotton reels and bolts from OEM paddock stand mounts (there is a danger these may hit the OEM exhaust when rear suspension is compressed).
- Fit the new cotton reels to the new adjuster blocks on both sides as shown above.

ISSUE 1 02/03/2011 (NSY)

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of
