i300C DIVE COMPUTER

The i300C's uncomplicated, intuitive, and rugged design lets you focus on your dive, not your gear. With an easy-to-use interface, flexible operating modes, built-in backlight and water-activated on switch, the i300C gets you in the water and descending in no time. This durable, versatile and affordable dive computer is just great.

Features

- 4 operating modes: Air, Nitrox, Gauge and Free Dive
- Automatically activates upon entering the water
- Well lit display making it easy to read in low light conditions
- Intuitive navigation: Single-button access to last dive data (maximum depth and bottom time)
- Dive log mode
- Battery life indicator
- User changeable battery
- Bluetooth data transfer to computer or mobile device using the DiverLog+ app
