

Designed in collaboration with the US military, the award winning RK3 fin is renowned for outstanding performance and reliability and has fast become a firm favourite with divers. The RK3 is a rugged thermoplastic rubber fin featuring an over-sized foot pocket to accommodate drysuit boots and a spring strap for easy donning and doffing. The RK3 is available in three sizes: Medium, Large and Extra Large.

Features

- Short wide blades
- Maximum forward thrust
- Great maneuverability
- Large foot pocket design
- Vented blades
- Custom designed buckles holding spring straps
- Large grommet holes

Specifications

Certifications	EN 16804
Weight	Medium 982 g / 2.16 lbs • Large 1190 g / 2.62 lbs • Extra Large 1270 g / 2.8 lbs
Blade Length	Medium 49 cm / 19.3 in • Large 54.5 cm / 21.46 in • Extra Large 57 cm / 22.4 in
Pocket Depth	Medium 22 cm / 8.66 in • Large 25.5 cm / 10 in • Extra Large 27 cm / 10.63 in
Pocket Width	Medium 9 cm / 3.54 in • Large 9.5 cm / 3.74 in • Extra Large 10 cm / 3.94 in
Material	Rugged Thermoplastic Rubber (TPR)
Buoyancy	Slightly Positive
Spring Straps	Stainless Steel
