

Our premium ultralight boot designed from the ground up to enhance comfort and safety for every Aquatic Operations and Rescue Team Member.

Features

- Front zipper closure with hook & loop strap securing the upper section
- Protection system gives extra support to ankle and reduces force generated by impact
- Rapid internal Cordura® fabric gaiter closure using automatic lace adjustment system
- Interior pressure points relieved by using enhanced padding materials
- Fast water drainage and quick drying ensured by micro holes on each side
- Shock absorbing and abrasion resistant toe cap in Polyurethane (PU)
- Enhanced visibility using yellow strips affixed in specific areas
- Slimmer design to fit Aqualung and Apeks fins
- Abrasion resistant outer rubber profile provides durability when using line safety ropes
- Puncture resistant composite insert offers enhanced protection

Specifications

Certifications	Category PPE II EN 20347:2012 Complies and passed the following lab tests: P: Penetration, Antistatic, HI: Heat Insulation, CI: Cold Insulation, HRO: Hot Surface Contact, FO: Hydrocarbon, AN: Ankle Protection, SCR: Slip Resistance
Upper Material	Cordura® Fabric with 2 mm Neoprene Gator
Lower Material	Thermoplastic Polyurethane (TPU) Toe Cap, 2 mm Polyurethane/Polyamide Reinforced Heel with Anti-abrasion Rubber Side Panels
Insole Material	6.5 mm Composite Anti-Perforation
Sole Material	Nitrile Rubber
