HIMALAYAN SALT STONES

Each Himalayan Salt stone is hand carved and contains 84 naturally occurring minerals and elements.

HOW TO USE THE STONES

For Self Massage

Hold a salt stone in your hand as you relax and take your sauna or to take a break from your smartphone.

To remineralize skin

After a shower, with your skin still moist, use a Himalayan salt stone to replenish mineral deficiencies that our bodies lack. Use water to wet the stone or try jojoba or coconut oil.

For grounding and to neutralize bacteria

Carry a salt stone in your pocket or purse to neutralize bacteria as Himalayan salt is anti-microbial and anti-bacterial.

As a deodorant

Lightly wet the stone and apply to desired areas thoroughly. Dry stone when finished.
