CHROMOTHERAPY LIGHTS

The regulation of temperature and time are not the only functions that this intelligent system shares. Another luxurious option is our chromotherapy lights. This vibrant antidote promotes relaxation, healing, and harmony. Incorporate a method that has been practiced for over 2,000 years right in your own home.

There lies a wide variety of health benefits within chromotherapy healing. Every hue carries particular vibrational frequencies that activates biochemical processes within the body, thus provides different healing properties. Elevate your body and mind with this ancient technique.
