Press Release

Pembrokeshire artist Sarah Jane Brown to feature in an exclusive art exhibition at James Purdey & Sons in Mayfair on 7th June

The famous gun and rifle makers, James Purdey & Sons, will play host to an exclusive evening art exhibition in Mayfair on 7th June, which will feature amongst others work by contemporary Welsh landscape painter Sarah Jane Brown. Arranged together with The Discerner Gallery in Mayfair, this special evening will present an exclusive showing of a number of works from a select group of highly talented artists, and promises to be an exceptional event.

One of Sarah Jane's paintings was previously chosen to join an exhibition of paintings at The Discerner Gallery in March this year. The exhibition is currently ongoing, and will be available to view until 15th June. A selection of Sarah Jane's paintings will also be featured within the April and May issues of their luxury art publication *The Discerner Magazine*.

Through painting Sarah Jane explores her relationship with her immediate environment, using the landscape metaphorically to examine more emotional concerns. Sarah Jane's natural ability to convey the intensity of her experiences presents an emotional narrative throughout the body of her work, encouraging viewers to connect and engage on a deeper level.

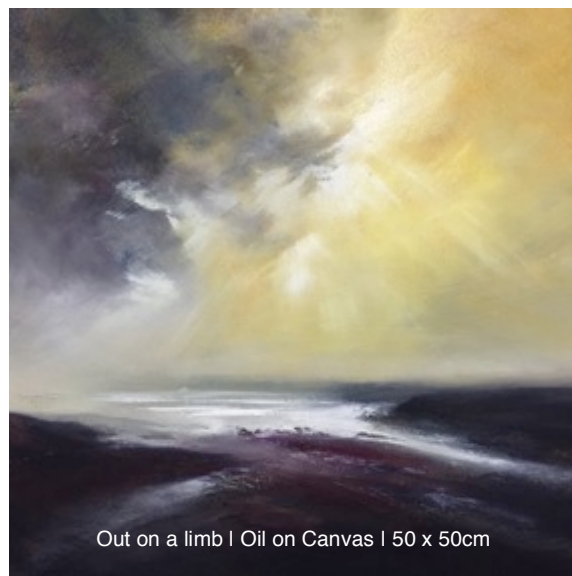

Sarah Jane has exhibited widely across the UK including several solo shows in Cardiff and prestigious exhibitions in London, such as the 'Cork Street Open' in Mayfair and with the 'Royal Society of Marine Artists' at the Mall Galleries. Her work is now collected internationally. Current work can also be viewed at Off The Wall Gallery in Cardiff and Etcetera Gallery in St Davids. Forthcoming exhibitions include a solo show 'Creating Space' in the Joanna Field Gallery, Torch Theatre, Pembrokeshire 2nd-29th June, and a debut at the Russell Gallery Summer Show, Putney, London 29th June-2nd September.
