**Prices in red reflect a 15% reduction off our Dine-In menu.  
Tuesday - Thursday**

Being that our dine-in seating capacity has been reduced drastically, due to LA county new health regulations, we are unable to accommodate all of our guests as much as we would like. Thus, to show our appreciation for your support during this time, Chef has tailored our AN the GO takeout menu, with easy heating instructions, for you to enjoy at home.

Bon Appétit!
