

InnerDerm Rx FAQs

1) What is this product?

A daily skin dietary supplement that supports overall skin health.

2) What are the key benefits of this product?

- Helps reduce the appearance of fine lines and wrinkles
- Supports skin hydration, elasticity and smoothness
- Boosts the skin's ability to maintain its natural resilience
- Helps to reduce the appearance of skin redness

3) How does this product work to boost skin health?

The proprietary blend of Lycomato and Ahiflower extract deliver a powerful complex of antioxidants and nutrients to protect the skin from a wide range of damage caused by UV radiation, pollution and other inflammation responses. Results include an increase in smoothness and thickness of skin and a reduction in redness.

4) Are there any contraindications for this product?

None, except allergies to any of the ingredients

5) Is this product vegan?

Yes

6) Are there any potential allergens that should be called out in this product?

None

7) When and how should I take this supplement?

Take 1 capsule daily, ideally with food to optimize the digestion response. 30 capsules will be a one-month supply

8) What are some cross-training opportunities with this product?

Optimizing your skin health allows better overall protection for your skin and enhances how well the skin responds to regimens and treatments.

9) Are there any other special considerations/ key insights about using this product?

Do not exceed recommended dose. Food supplements should not be used as a substitute for a varied diet and healthy lifestyle.
