Fargo, ND 58102

October 1, 2020

Subject: Verification of RoHS Compliance

To whom it may concern:

This signed letter is to be used as verification that the 3D filaments manufactured by 3DomFuel, Inc., including the 3D-Fuel brand of filaments, are in conformity with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

By our signature, 3DomFuel, Inc. assures compliance with these provisions and the absence of the chemicals referenced in them. This declaration of conformity is issued under the sole responsibility of the manufacturer.
