

**Product Template**

**76001**  
**Cutting Board - Large**  
4770w / 3525h (px)

The red line designates the products print safe zone, anything outside may not appear.

Place all important elements, such as text and logos, inside of the red line to avoid the risk of being cut off in print production.

**FILE TYPES**

Accepted file types: JPEG, PNG, PDF

**IMAGE PRIORITIES**

**Color:** For best results, convert files to RGB prior to uploading.  
**Resolution:** For best results, files should be 300 dpi and above.
