HOW TO MEASURE

1

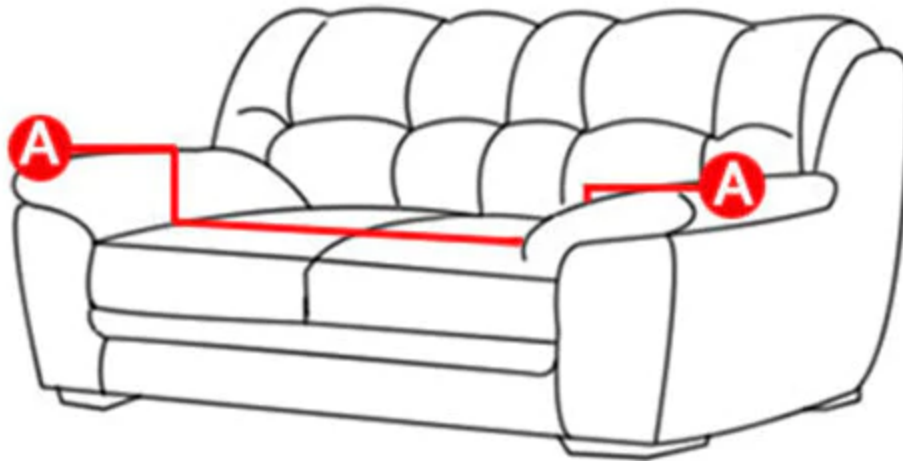

Armless sofa

Measure the length between 2A and choose the right sofa cover

2

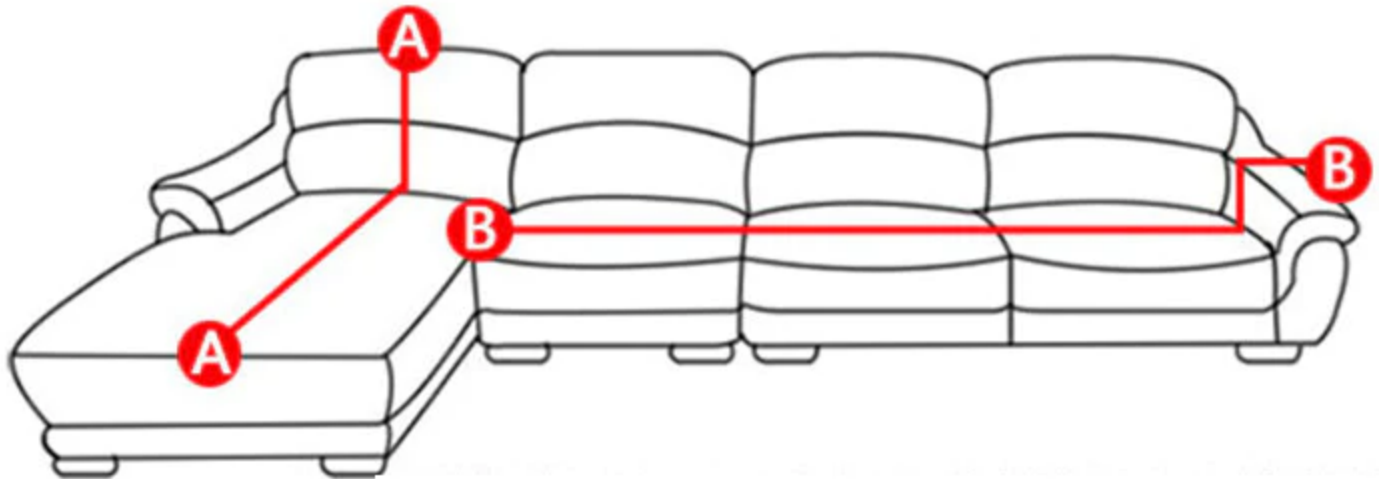

Armrest sofa

Measure the length between 2A and choose the right sofa cover

3

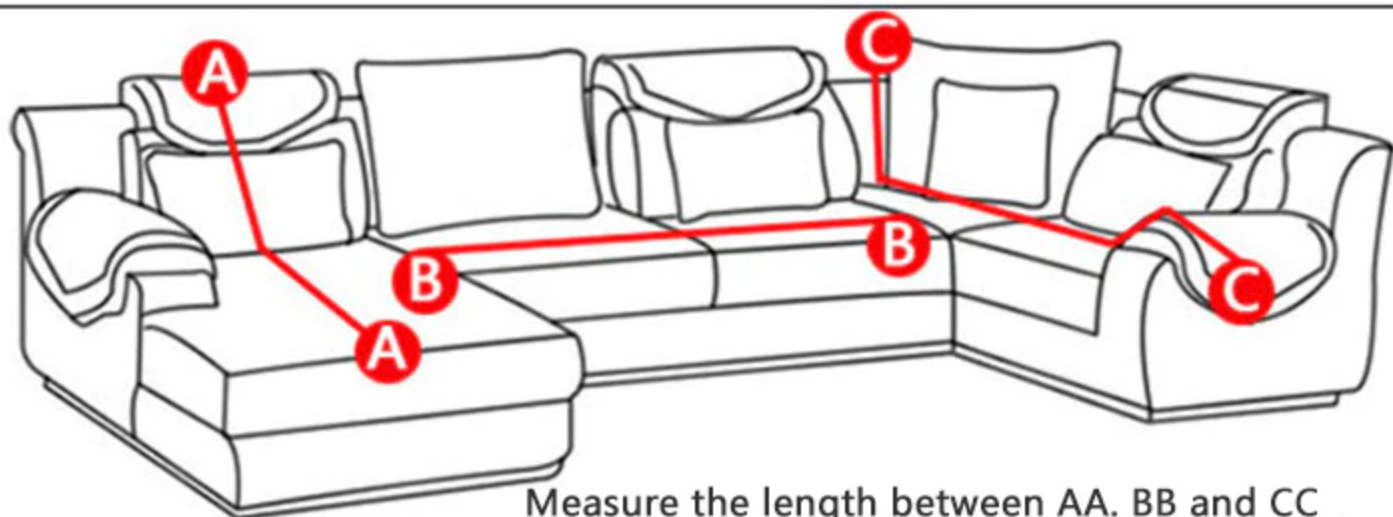

L-shaped chaise sofa

Measure the length between AA and BB separately

4

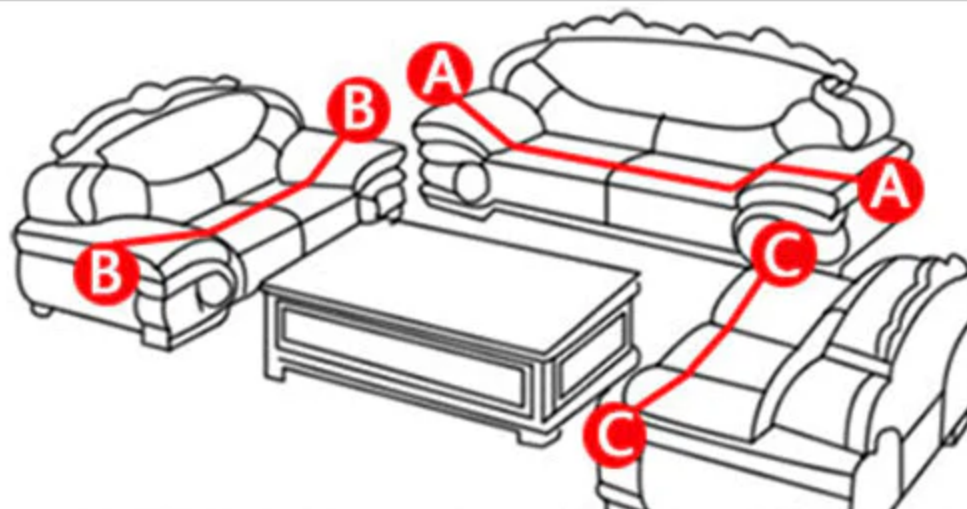

Chaise + corner sofa

Measure the length between AA. BB and CC separately and select the appropriate sofa cover

5

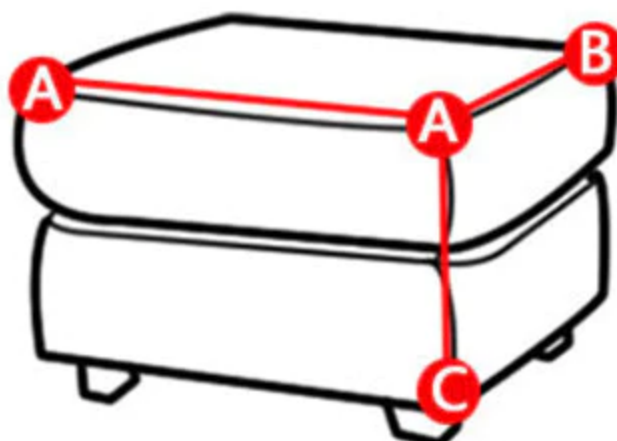

Wide armrest sofa

Measure the length between AA, BB and cc separately

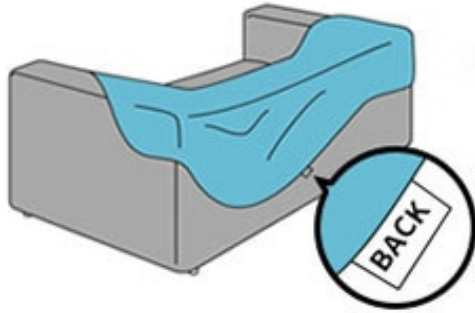

6

Pedal

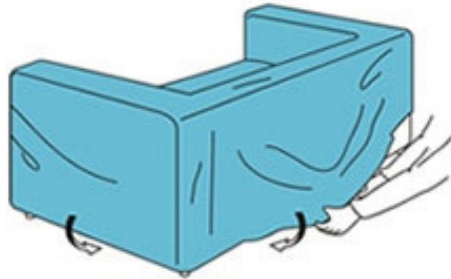

Measure the length between AA and AB. AC respectively and choose a suitable sofa cover

HOW TO INSTALL

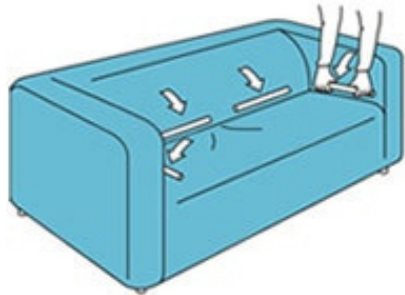

STEP 1

Find the "Back" tags, and put this side at the back of the sofa.

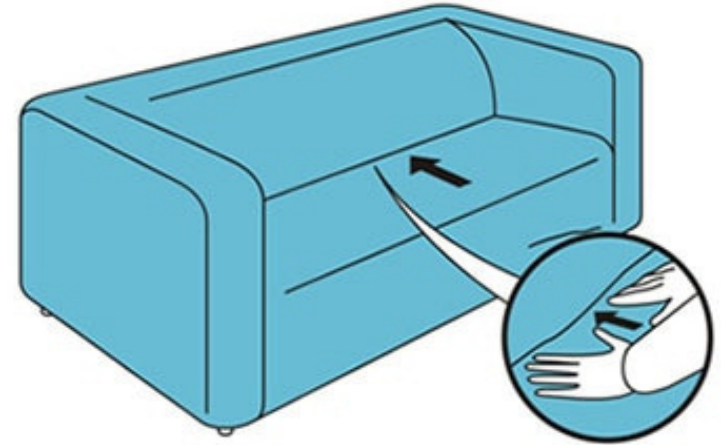

STEP 2

Pull down to fit around the furniture, and buckle the elastic bottom on the all four sides of the sofa.

STEP 3

Stuff excess fabric into the gap, then tuck the foam rods in to make the fabric deeply in the place better.

STEP 4

Make the final adjustment, then you can enjoy it.
