

StarCat Fortune Meanings

Once a day when your score is at 100 StarCat will look up to the sky and predict your future by reading the constellations. Below is a chart which explains what each constellation means.

Dashes: The seasons in your life are turning, but it doesn't come without work. Embrace the change and you will always land on your paws.

Spiral: It's time to purr-sue the ideas you've been putting off. Creativity will be flowing from you in the next week. Catch it before it gets away.

The X: Cat-astrophe is ahead. This is your warning that you may be scratched by some kitty's claws.

Echo: The time for action is meow. Others are listening to you closely, and waiting for your guidance on how to proceed. Keep everyone moving forward with your wisdom.

The Fish: There are obstacles ahead that will push you to your limit. Like a fish in an ever changing sea, keep swimming. I say eat the fish, and be happy for the snack.

The Hands: You've been doing well for yourself and others are starting to notice. It will be tempting to hoard all that you've acquire, but try to share with those who have less.

Open Circle: Purr-haps is its time for a nice nap. Now is not the time for action. Rest and try again later.

Anchor: You have a tendency to always be looking for the next big thing. Take some time to enjoy the meow-ment, and express gratitude to your loved ones.

The Owl: Borrow the owls sight and be aware of your surroundings. Someone may be wishing you ill will. Take extra care of yourself and this period of bad fortune will pass quickly.

Wheel: Get ready for a change in fortune. If things have not been going your way lately, you'll find relief in the coming weeks. On the other paw, if you feel at ease, you may face some struggles.

The Sun: A snooze in the sunshine is paws-itive-ly the best way to refresh. With renewed energy, you'll get closer to your goals this week. Success will shine down on you soon.

Waves: You are on a long journey but that does not come without a few waves. Keep your head above water and you will reach your destination.

The Arch: Your patience is about to be rewarded as all your plans fall into place. The universe is watching, and if you want to move the world, you must first move yourself.

The Bird: News is swooping in on you today, pounce before it gets away. Or if you've been waiting for a sign, this is it.

Chain: Recently you've been given more responsibility than you've ever had before. Your actions will trigger a rapid chain of events, but how you handle your influence will determine the outcome.

Grim: Gloom is making it home inside you and turning your world to black. Remember that in the darkness you can still see the stars.

Heart: Good things are on their way. You may find new love or have your dreams come true. Anything is paw-sible!

Star: It's time to pounce on opportunities as your luck is on the rise. Do not hesitate or your success may escape. If you must hunt it, show it your claw and you'll achieve excellence.

The Eye: You've been struggling with something lately, it's feline-ly time to resolve it. Curl up for a catnap and you'll be able to see the situation clearly.

Cloud: A storm is rolling in. Check your umbrella for any resentment you may be holding onto as this will be the source of trouble.

Horseshoe: Good fortune is within the reach of your paws. Remember that good luck favors the prepared. Sink your claws in and claim this prosperity as your own.

Lines: The journey is often more fun than the destination. If you plan to move across sea or land, change your skies not your mind.

Key: It's important to look before you leap. Exercising caution will benefit you right meow more than ever.

Crescent Moons: Just like the moon, it's im-paw-sible to be full at all times. Whether you're waxing or waning, take a meow-ment to look inside and decide what you want to bring to your next phase.

Flower: Flowers do not blossom over night and you can't expect the same from yourself. Hold on to hope as the winter melts away, and prune what keeps you from blooming.
