

▲ Please carefully read this manual before using the product.

▲ Keep the manual with you for reference as needed.

### PLEASE FULLY CHARGE THE PRODUCT BEFORE USING

1. Please turn the product to the white or amber setting and fully charge under direct sunlight before use.
2. Charging time may vary depending on the weather, temperature, and seasons.
3. Do not charge the product indoors or any place where direct sunlight can't reach. Otherwise, the product will not charge properly.
4. Please keep the solar panel clean to make sure the product can be properly charged. Frequently clean the solar panel as needed. Avoid scratching on the panel or it may lower charging efficiency.

### INSTALLATION INSTRUCTIONS

1. Place the light in the desired location. Please make sure adequate sunlight is received in order for the light to function properly.

2. The light will automatically turn on at dusk or when the surroundings turn dark.

### Switches & Functions (Please see Figure A for reference)

1. The power switch is located on top of the solar light.
2. Slide the switch to the desired position.
  - a. White – Changes the lights color to a bright white light
  - b. Amber – Changes the lights color to a warm amber light
  - c. Off – Move the switch to the center to turn the solar light off. While in the off position the unit will not charge.
3. Even when the unit is on White or Amber settings during the daytime, it won't illuminate as the solar panel is equipped with a daylight sensor. It will automatically charge and turn on the LED lights at dusk or when the surroundings turn dark.

### WARNING & NOTICE

1. Do not look directly at the LED light, or it may damage your eyes.
2. Do not attempt to disassemble or remodel the product. Any changes can be dangerous and will void the warranty.
3. Please keep the product away from the flammable items, or explosion or casual injuries may occur.
4. Please switch OFF the product when it is not in use for a long period of time.

### PRODUCT SPECIFICATION

Material	ABS	Solar Panel	5.2 X 5.2 inch/1.5 W
