

T600 Treadmill

Our advanced T600 treadmill combines performance, durability and contemporary style to elevate the exercise experience. A powerful motor and an extra-larger running surface accommodate hard workouts, and heavy-duty components stand up to the toughest environments for years. Perhaps best of all, the refined styling of the frame and console will make the T600 an attention-grabbing highlight of your fitness offering.

- A powerful, reliable 4.2 hp AC drive system stays in rhythm with every step, even during the most intense runs.
- A bright white LED console provides easy-to-read workout feedback to keep users on track for their goals.
- Our fully pre-waxed, industrial-grade deck is cushioned for comfort and reversible to extend treadmill life.
- An expanded 152 x 55.4 cm / 60" x 22" running surface lets exercise enthusiasts of all kinds sprint comfortably.
- Nine preset workout programs — including heart rate training — keep every exercise experience fresh and challenging.
- A heavy-gauge welded steel frame provides excellent stability during hard runs and durability that withstands years.
- Conveniently positioned contact grips and a built-in wireless receiver offer easy heart rate tracking (chest strap not included).

Frame

Frame Type	Heavy gauge welded steel
Running Area	152 x 55.4 cm / 60" x 22"
Cushioning	UltraZone cushioning system

Frame

Running Belt	2-ply waxed belt
