

AMERICAN HOCKEY

Leaves have fallen, days have shortened, and lakes have frozen over. What time of year is it? HOCKEY TIME!!! Ever since the 1980 Winter Olympics hockey has become resurgent in America. Evolved from various sports, Hockey is a winter pastime in Northern climes, be it on a frozen pond, a community ice sheet, or at a NHL Area. This festive winter scene, by Eric Dowdle, features hockey's roots in a typical small town, celebrating the season with a rousing game around a frozen river. Drop the puck and enjoy this piece with family over a cup of cocoa.

1. The Stars and Stripes forever.
2. "Hat Trick" refers to a player scoring 3 goals in one game. Good store name too.
3. In hockey teeth are optional.
4. "Dump and Chase" is an old school hockey strategy.
5. Tribute to Hall of Fame great Bobby Orr.
6. Is there any Hot Cocoa better than Stephen's? I think not.
7. Who can forget chanting "USA, USA, USA" for the 1980 Miracle on Ice.
8. Hockey Stores and some stuff for some other odd sports.
9. Though not the biggest national sport Hockey has a serious following in America.
10. Old school hockey was some seriously gritty sport.
11. Should the moose be the official mascot of Hockey?
12. Homage to Charles Schultz who was a huge hockey fan.
13. Pond Hockey is officially known as Shingle.
