

EDMONTON

You'll be sure to find something fun to do in Edmonton. Edmonton hosts more than 30 Festivities annually so it was given the nickname, "Canada's Festival City". Traveling there in the summer you can attend K-Days, formerly Klondike Days, or if you are musical you will enjoy the Edmonton Folk Music Festival. And those long cold days of winter look forward to the Flying Canoë Volant Festival as they celebrate local history and everything that is enjoyable to fill a long winter's night. Even though Edmonton's first day of summer has 17 hours 3 minutes of daylight, Eric has chosen to celebrate Edmonton's beauty of winter as we skate, tube down the hill, and cheer on our favorite hockey star in this delightful piece.
