

GINGERBREAD HOUSE

The baker thought he would make a gingerbread man. He rolled out the dough, cut out the shape, and put raisins for his eyes, a cinnamon drop for a mouth, and chocolate chips for buttons. Then he put the gingerbread man in the oven to bake. When the gingerbread man was done, the baker opened the oven door, and the gingerbread man jumped up and ran out of the kitchen shouting:

“Run, run, fast as you can!
Can't catch me, I'm the gingerbread man!”
