LAKE TAHOE

Lake Tahoe is the largest Alpine lake in North America, and the second deepest lake in America! Known for its crystal-clear (*and cold!*) mountain waters, it is surrounded by the snowy peaks of the Sierra Nevada range and is a year-round tourist attraction for skiers and outdoor enthusiasts. Eric captures a delightful historical view of Lake Tahoe in this painting.

1. The towering Sierra Nevada range borders Lake Tahoe.
2. Emerald Bay Bridge
3. Eagle Falls
4. Vikingsholm Castle
5. These love swans are for Eric's daughter and her new husband.
6. Captain Dick "them's my toes" Barter—the hermit of Fannette Island.
7. The Tea House on Fannette Island.
8. Happy Fish spending their time between California and Nevada.
9. The flag of California.
10. Tahoe boat tours are relaxing, scenic excursions.
11. This is a significant date that Eric put in the painting.
12. Emerald Bay at Lake Tahoe is breathtaking.
