LAS VEGAS GREAT WHEEL

In Nevada's Mojave Desert you will find Las Vegas. Also known as "The City of Lights" the options are above and beyond what you would expect to find in a desert. It is famed for its buzzing energy, 24-hour casinos and endless entertainment options. Located at the heart of the Las Vegas Strip, "The High Roller" or the "Vegas Great Wheel" is an engineering marvel and the world's largest observation wheel. This giant Ferris wheel features numerous pods that allow amazing views of the city night or day. Anytime you visit there, there is plenty to do, see, and experience for young and old alike. Put the puzzle together and see what amazing marvels there are within the city to experience.
