

LONDON TOWER BRIDGE

London Tower Bridge, Eric's second painting of London, England, includes the Tower Bridge and the famed Tower of London fortress of the British Monarchy. The Tower Bridge was completed in 1894 and features a walkway that sits 42 meters above the Thames River. The Tower of London is much older and is famous for its well-known prisoners. Since 1303, the Crown Jewels of the United Kingdom have been kept there.

1. The Thames River flows past the front of the Tower of London.
