

OTTAWA RIVER

The Ottawa River outlines the border between the two provinces of Ontario and Québec in Canada.

However, this dividing line does everything but separate. Ottawa hosts many festivals and annual seasonal activities that bring people together in celebration of life and love. Put the puzzle together to see just how many festivals and activities can be enjoyed in the beautiful surroundings of the Ottawa

River. Can you find the largest Canada Day celebrations on Parliament Hill or the annual outdoor Bluesfest? Have you ever seen 1,000,000 tulips? The Tulip Festival held in Ottawa is said to be largest in the world. Also, the Dragon Boat Festival, International Jazz Festival, and the Reggae Music Festival are some of the many activities you can find around the river. The Ottawa River has become the epicenter of some of the largest festivals in the world. Take a piece and put it together as if you were there.
