

# WASHINGTON STATE COUGARS

Martin Stadium is the home of the Washington State University (*WSU*) Cougars. This beautiful stadium holds over 33,000 loyal fans and adorns the campus in Pullman, WA. The day of the Apple Cup they probably squeeze in a few more. The Apple Cup began as the instate rivalry game between Washington State University and the University of Washington and began in 1900. There is as much love and respect between the Cougars and the Huskies as in any cat and dog relationship (gingham and calico specifically). The Saturday after Thanksgiving these two teams meet in a great grudge match. Though the Huskies have the historic edge, when these two brothers meet throw out the records. This rivalry heats up and never count the Cougars out. As PAC 12 and instate rivals the Apple is sweeter than ever. Join us for the Apple Cup and cheer the Cougars on to a crispy, sweet victory.
