

NEWPORT BEACH

It's time to experience perfect year round weather in Newport Beach, California. Ever since its establishment in 1906, it has prospered into a lively community! Take for instance the numerous yacht clubs hanging around, the Newport Beach Christmas Boat Parade, or the iconic Balboa Bay that locals and tourist a like love! Since numerous celebrities resided here, the city became more popular thanks to the hit series "Arrested Development." Because of its geography –which extends five miles in length– there are beaches on the protected bay side and on the open ocean side. Eric's painting brings a taste of this great Southern California city home to you and your loved ones. Enjoy!
