BARCELONA

Barcelona, Spain is an enchanting seaside city with amazing and imaginative architecture. To see Barcelona from Güell Park feels like being a part of a colorful dream. Barcelona is defined by quirky art and modernistic structures which are delightful in style and color. A visit here will help you discover and enjoy imaginative food and vibrant street life as well. It has medieval roots but a modernist personality as seen in the fantastical Sagrada Família church. Keep exploring Eric's puzzle of Barcelona!

1. Entrance buildings at Güell Park
2. Christopher Columbus set sail from the town, hoping to find a faster route to India but found America instead.
3. Bullfight Dance is also known as the Flamenco Dance.
4. Christopher Columbus's ship sailing from Spain
5. Roman Catholic Basilica Sagrada Família started construction in 1882 and is aiming to be completed in 2026 – 144 years!
