

# DAY AT THE ZOO

The zoo appeals to the kid in all of us! Our fascination with animals reminds us of how connected we are. In this delightful painting, everyone's out of the cage and having a great time at City Zoo. Look for a lot of monkey shenanigans, and you'll laugh when you see what the bears are up to.

1. Scarlet Macaw – the largest parrot.
2. Zoo Time!
3. Capuchin Monkey, the most intelligent monkey of the New World.
4. Can you find the missing 'K'?
5. Just monkeying around.
6. Surprise! See if mom will let you keep him.
7. Rolling with my boys.
8. Roosters have surprisingly good hearing.
9. All penguins live in the Southern Hemisphere.
10. A toucan's large bill helps in keeping it cool in a hot environment.
11. What a fun drinking fountain shaped like a lion.
12. Look what the Panda caught with his "bear" hands.
13. The Black Bear is a good climber and a good swimmer.
14. Brown Bears prefer eating cotton candy over honey.
15. The Lion's roar can be heard up to five miles away.
16. A Jaguar can be "spotted" by its rose shape black spots.
17. A Giraffe's spot pattern is unique to itself, much like a human's fingerprint.
18. The average eagle's nest is 4-5 feet wide and 2-4 feet deep.
19. Lacking teeth Ostriches swallow pebbles to grind their food.
20. Gorilla's arms are longer than their legs, allowing them to walk on all four limbs.
21. Elephants hear with their ears, their trunk, and even their feet.
