SALT LAKE CITY

Experience this beautiful view of the mountain heritage of Salt Lake City. The famous and historical LDS Temple Square is featured in the foreground, and is a visitors attraction for millions of people each year. The Utah State Capitol, known for it's striking resemblance to the United States Capitol Building, sits majestically on the hillside, as well as does the University of Utah campus.

1. McCune Mansion
2. LDS Hospital
3. The "U" on the mountain
4. John R Park Building at the University of Utah
5. Presidents Circle at the University of Utah
6. Old Bransford Apartments at the Eagle Gate
7. Former Hotel Utah now the Joseph Smith Memorial Building
8. Salt Lake City LDS Temple (*dedicated in 1893*)
9. The Salt Lake City Tabernacle—home of the Mormon Tabernacle Choir
10. Temple Square Assembly Hall—what a monument to pioneer craftsmen
11. L.D.S. Church Administration Building
12. The Lion House—wonderful food
13. The Beehive House
14. Statue of Brigham Young
15. Orson Hyde's observatory on Temple Square
16. Miracle of the Seagulls Monument
17. Eric's infamous tree hugger
18. Eric saw a couple playing checkers on temple square and made him think of simpler times.
19. The Pony Express came through Salt Lake City.
20. Frontier Pies was a favorite home-style restaurant in Salt Lake City.
21. Z.C.M.I. originated in Salt Lake City and was the world's first department store.
22. Downtown used to be crisscrossed with trollies—horse drawn and electric.
23. The Inn at Temple Square—it is missed.
