# TORONTO ISLAND

The Toronto Islands are a small chain of islands in Lake Ontario. There's nothing like a warm summer day to experience the fun and scenery of Toronto Island. Enjoy the city skyline in the background of this painting while people enjoy the water in various ways and as ducks, dogs and bicyclists alike enjoy the quiet experience of this mostly non-motorized island.

1. C.N. Tower 457 m (*1500 feet*)
2. Sky-ride at Centerville Amusement Park
3. T.D. Canada Trust Tower
4. St. Andrews Church
5. Rogers Center
6. Eric loves his chickens
7. The Maple Leaf— the flag of Canada
8. Far Enough Farm—petting zoo
9. Toronto Island Ferry
10. Swan boats—now that's the life
11. 2 pucks and a hockey stick fish
12. Rent a surrey to peddle around the island
13. The ducks bear the initials of the Dowdle Folk Art Staff
14. I'm not so sure these fellers are up for the petting zoo thing.
15. No. 73 Centerville Toronto Island B&B.R.R.
