WIZARD OF OZ

After flying through the air in a chaotic tornado, you, Dorothy and Toto have traveled to the Land of Oz. Wait, you've never heard of it? Well, get ready for an adventure of giggling Munchkins, magical shoes, and wicked witches, oh my! This beloved classic will keep you on your toes as friends of all shapes and sizes help Dorothy on her journey to meet the Wizard of Oz. Relive some of your favorite moments in this beloved tale written by L. Frank Baum and the simple message of "There's no place like home."

1. Did you know that the Wicked Witch of the East wore silver shoes in the book versus ruby shoes in the movie? Which pair would you choose to walk the yellow brick road?
2. Dorothy and her dog Toto are ready to follow the yellow brick road and get back home. "No matter how dreary and gray our homes are, we people of flesh and blood would rather live there than in any other country... There is no place like home."
3. Thank goodness for the Good Witch of the North helping Dorothy begin her journey back home.
4. Meet Scarecrow, who gained a brain for proving his quick thinking in tough situations. "Brains are the only thing worth having in this world, no matter whether one is a crow or a man."
5. Meet Tin Man, who gained a heart for valuing both the great and small creatures of Oz. "I shall take the heart. For brains do not make one happy, and happiness is the best thing in the world."
6. Meet Lion, who found courage even in the scariest places and conquered them. "True courage is in facing danger when you are afraid."
7. This little mouse is the Queen of all the field mice! Thanks to the Tin man saving her from a hungry cat, she directed Dorothy and her friends to the Emerald City.
8. Once colorful birds began to sing around her with the sweet perfume of exotic flowers filling her nose, Dorothy knew she wasn't in Kansas anymore.
9. When the Wicked Witch of the West heard that Dorothy and her friends were coming to destroy her, she sent three types of creatures; bees, crows and wolves. However, Dorothy's friends defeated them all.
10. I bet this tornado is "dizzy" from spinning and transporting Dorothy from Kansas to the Land of Oz.
11. The Poppy field is one of the sneakiest deceptions filled with danger, because if you smell the poppies, you will never wake up, which almost happened with Dorothy and the Lion.
12. Just follow the yellow brick road where you'll find the Emerald City and the Great and Powerful Oz.
13. Look! It's the Flying Monkeys! They brought Dorothy and Lion to the witch but would not harm her for fear of fighting against the power of good.
14. After years of slavery to the Witch of the West, The Winkies were finally free when Dorothy melted her and they were free again!
15. With some quick thinking and courage as scarecrow's life is in danger being on fire, Dorothy dumps the bucket of water on him and the Wicked Witch of the West, melting her, ending her wicked era.
16. Oh no! Here comes the wicked Witch of the West, beware her magic!
17. Meet The Great and Powerful Wizard of Oz, who loves the color green, hence his suite and city in the distance.
18. Welcome to Emerald City, where wishes and dreams become reality.
