about the Cosmetic-Product

SofTap colour Blushed Petals Art.-No.210

Dermatological test on humans in 2005

**The dermatological-allergological test performed by us
on your product under the control of dermatological specialists**

**was passed by this product with the rating
“very good”.**

This product did not lead to allergic or toxic- irritative intolerance reactions in epicutaneous testing in accordance with international guidelines. The tolerance of this product can therefore be assessed as very good.
