# Large basket insert

The outside of your basket inserts should look like this when folded.

When printed correctly this square should measure 10cm x 10cm. Please check before cutting.
When printed correctly this square should measure 3" x 3". Please check before cutting.
Instructions

1. Print pattern pieces on A4 paper and check size.
2. Tape pages together as noted on black arrows. Cut out along the outline.
3. Lay out and trace pattern onto a large sheet of washable paper (50cm x 72.6cm)
4. Cut out along outline.
5. Fold panels along dashed lines.
6. Slots of piece 1 & 2 fit together, slots of piece 7 & 8 together to form a circle.
Note: Panels 3 & 4 line the inside.
Circles are on the outside.

Washable paper looks and feels like leather but sews, cuts and washes like fabric. It can be purchased from many Etsy sellers. In Australia, we have sourced washable paper from **makeMonsterCo** on Etsy.
