Delta-X

Introducing Promate's Delta-X, a superior TWS speaker boasting a powerful 20W stereo sound. Its futuristic spaceship-inspired design features 12 RGB lighting modes and audio-reactive "landing lights" for a captivating visual show. Equipped with dual bass and treble drivers, it offers three EQ modes for custom sound. The Delta-X includes a hands-free microphone for easy communication and a 6400mAh battery that provides up to 20 hours of playtime with RGB or 30 hours without. It supports a 20-meter wireless range, USB flash drives up to 256GB, and fast charging via 20W USB-C. This speaker is the epitome of portable audio excellence, blending style, performance, and versatility for an out-of-this-world listening experience.

True Wireless Stereo Sound

Immerse yourself in high-fidelity sound with cutting-edge TWS technology, delivering seamless connectivity and room-filling 20W stereo output. Connect two Delta-X speakers and enjoy True Wireless Technology.

Immersive Sound Experience

Dive into the depths of your music with powerful, thumping bass tones from dual 58mm drivers, while enjoying crystal clear high frequencies with precision from dual 43mm drivers.

Triple EQ Modes

Customize your audio with three EQ modes, adapting to any genre or mood, while enjoying a full-bodied sound spectrum, capturing rich lows and vibrant highs for an immersive and Personalized listening journey.

Built-In Microphone

Stay connected on the go with the built-in omnidirectional microphone, providing clear and natural voice capture for hands-free calls.

Long-Lasting Playtime

With a high-capacity 6400mAh lithium-ion battery, enjoy up to 30 hours of uninterrupted music playback, perfect for all-day outings. Plus, indulge in vibrant RGB lighting for up to 20 hours, ensuring your party never misses a beat.

Efficient Power

Experience optimized performance and longer battery life with the 4Ω impedance, maximizing power efficiency without compromising sound quality.

USB Flash Drive Support

Conveniently access your entire music library with support for USB flash drives up to 256GB, ensuring you always have your favorite tunes at your fingertips.

Dynamic 12 Modes RGB Lighting

Set the mood and elevate your listening experience with 12 dynamic RGB lighting modes, adding a vibrant visual element to your music playback.

Futuristic Spaceship Design

Make a statement with the sleek and modern spaceship-inspired design, combining style with functionality for a speaker that stands out in any setting.

Audio-Reactive Landing Lights

The Delta-X features audio-reactive landing lights on each side that sync with your music, creating a captivating visual display that enhances the listening experience.

Fast Charging

Get back to the music faster with the 20W USB-C input for fast charging, ensuring minimal downtime and maximum enjoyment.

Specifications

Bluetooth Version: V5.4
Bluetooth Profiles: A2DP
Bluetooth Frequency: 2402MHz-2480MHz
USB-C Input Rating: DC 5V/4A
2 x Base Speaker Driver Diameter: Φ58mm
2 x Treble Speaker Driver Diameter: Φ43mm
Speaker Output: R/L 4W+4W, SWR/SWL 6W+6W = 20W
Base Speakers Sensitivity: 82dB±3dB
Treble Speakers Sensitivity: 81dB±3dB
Speaker Impedance: 4Ω
SNR: 86dB
Speaker Frequency Range: 20Hz-20kHz
Audio coding Format: SBC/AAC
Microphone Polar Pickup: Omnidirectional
Microphone Sensitivity: -35±3dB

Microphone Impedance: 2.2kΩ
Microphone Frequency Response: 100Hz-8kHz
Battery Type: Lithium-ion
Battery Capacity: 6400mAh
Operating Distance: ~20m
USB Flash Drive Max Capacity Supported: 256Gb
USB Flash Drive Music Format Supported: MP3
Total Playtime: 30Hrs w/out RGB, 20Hrs w/ RGB
Charging time: 7Hrs
Charging Cable length: 1.5m Braided USB-C to Usb-C
RGB Modes: 12 modes
EQ Modes: 3 modes
Operating Voltage: DC 3.3-4.2V
Working Current: 1000-4000mA
RF Output Power: <=20dBm

Packaging Contents:

- Delta-X
- USB-C to USB-A Braided Cable
- USB-A to USB-C Adapter
- 1.5m Braided AUX Cable
- User Guide
