EcoLine-CC200

No more worrying about your broken cable wires or slow charging cords, upgrade to experience premium quality with EcoLine-CC200. This fast-charging USB-C to USB-C cable is designed to provide seamless compatibility with 60W Power Delivery to any USB-C device from the latest iPhones to tablets and even laptops. Designed for flawless use with a wide range of devices, EcoLine-CC200 offers data transfer of 480Mbps. Engineered with a fabric braided exterior to resist damage from the outside and reinforced connectors, this cable offers higher durability and unrivaled charging.

Features

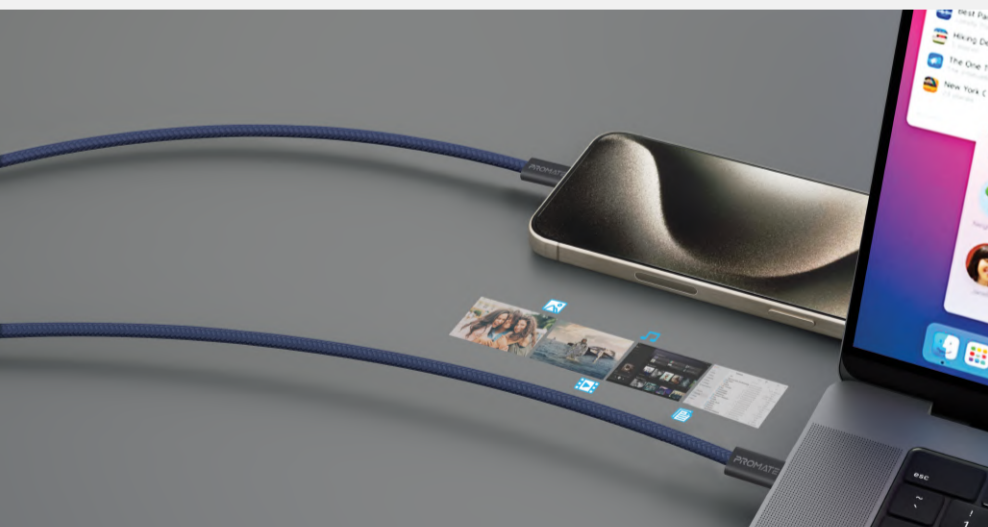

60W Power Delivery
Charge your latest iPhone, laptop, or tablet at speeds up to 60W Power Delivery which is faster than standard cables.

200cm Cable Length
Ideal 6ft length that is long enough to use at your desk and short enough to charge on the go.

Data Sync and Charge
Transfer photos, music, and movies between USB-C devices at speeds of up to 480Mbps.

Durable Cable
Reinforced connectors combined with high tensile strength fabric braided cable make the EcoLine-CC200 a super durable cable that is also uniquely stylish.

Reversible USB-C Connectors
No more struggling to find the right side to plug in your charging cable. Both the USB-C™ connectors of the EcoLine-CC200 are reversible.
