MonoFlix-BT

MonoFlix-BT offers an immersive wireless audio experience with powerful sound quality and technologically advanced features. Clip the MonoFlix-BT case onto your clothes or collars, and the earbud comes with a 30cm cable that conveniently retracts in place when not in use. With Bluetooth v5.3 for stable connectivity, multipoint pairing, button controls, and ENC Noise Reduction, it combines convenience with performance. The comfort-fit design, impressive 22-hour playback time, and water-resistant features make it perfect for active lifestyles. With its LED screen, stay updated on the remaining battery life of your wireless mono earphone. Elevate your music and communication experience with MonoFlix-BT.

Features

Wireless Mono Earphone

This high-definition mono earphone delivers powerful bass, mellow midrange, and precise treble, producing crystal-clear music, with complete wireless freedom.

Button Controls

Manage audio playback and other functions conveniently as MonoFlix-BT features button controls.

Retractable 30cm Cable

The case of MonoFlix-BT can be clipped on clothes or collars and the earbud has a 30cm cable that retracts back when not in use.

Long Usage Time

Get up to 22 hours of music playback time per charge and enjoy your tunes for a longer time.

Water Resistant

The sweat and water-resistant design featuring IPX7 makes MonoFlix-BT a perfect companion for your active adventures.

Enhanced Connectivity

MonoFlix-BT has the latest Bluetooth v5.3 chipset built-in to ensure the most stable connectivity, multipoint pairing, and longer range with low power consumption.

ENC Noise Reduction

Boasting a built-in high-quality mic in both earbuds and environmental noise cancellation technology, MonoFlix-BT provides crystal clear conversations.

Comfort Fit Design

Ergonomically designed to fit comfortably and stay steady on your ear, MonoFlix-BT can be used for as long as you want on either ear.

Smart LED Screen

Featuring an LED screen, it will keep you informed on the battery left on your wireless mono earphone.
