

## 65W GaNFast Charging Station

### Power Delivery | Dual AC Socket

**CHARGE 6 Devices At the Same Time**

**GaNFast**

**65W TOTAL OUTPUT** **Qualcomm Quick Charge 3.0**

**3250W Dual AC Socket**

PowerBrix2-GaN65

PowerBrix2-GaN65 is the ultimate GaNFast™ Gallium Nitride Charging Station that is designed for maximum efficiency and versatility. Equipped with dual USB-C ports delivering 65W Power Delivery, a 60W QC 3.0 port, and a USB-A port, it ensures all your devices charge at lightning speed. The dual universal 3250W AC sockets provide seamless power for high-demand appliances. With a compact design, intelligent power distribution, and comprehensive safety features including overcharging protection, automatic voltage regulation, and overheating protection, the PowerBrix2-GaN65 is perfect for home, office, and travel. Plus, its 2-meter cable length offers unparalleled convenience and flexibility. Elevate your charging experience with the PowerBrix2-GaN65.

### 6-in-1 Charging Station

Combine all your charging needs into one device with the PowerBrix2-GaN65, featuring dual USB-C ports, a QC 3.0 port, a USB-A port, and dual universal AC sockets.

**65W POWER DELIVERY**

### GaN technology

GaN components waste less power and produce less heat, thus providing a more efficient charging experience.

**200 CENTIMETER LENGTH**

### Dual USB-C Ports with 65W Power Delivery

Charge two USB-C devices simultaneously at full speed with 65W Power Delivery, perfect for laptops, tablets, and smartphones.

**Multiple Fast Charging PROTOCOL**

### 60W QC 3.0 Port

Enjoy rapid charging for compatible devices with the 60W Quick Charge 3.0 port, significantly reducing downtime.

### Dual 3250W AC Sockets

Power multiple high-demand appliances with ease using dual universal 3250W AC sockets, suitable for various international plugs.

### USB-A Port

Ideal for smaller gadgets, the 5W USB-A port ensures you can charge legacy devices without hassle.

### Compact Design

Sleek and portable, the PowerBrix2-GaN65's compact design fits easily into your bag, making it perfect for travel and office use.

### Intelligent Power Distribution

Optimize power delivery to all connected devices with intelligent power distribution, ensuring efficient and balanced charging.

### Multi-Protection System

Optimize power delivery to all connected devices with intelligent power distribution, ensuring efficient and balanced charging.

**2 AC Outlets**

**2 USB-C Ports**

**2 USB-A Ports**

#### Specifications:

Input:	AC 100-240V, 50-60Hz 1.5A Max	QC3.0 Port:	5V/3A, 9V/3A, 12V/3A, 20V/3A (60W)
2 x AC Output:	AC 250V/13A (3250W)	USB-A2 Output:	5V/1A (5W)
USB-C1/C2:	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A (65W PD)	Total Output:	DC 65W, AC 3250W
		Cable Length:	2.0 meter
