

4-Piece Power Bank 10000mAh Charging Kit

With Built-in USB-C & Lightning Cables

Quatro-10

Quatro-10 offers a comprehensive power solution with its 4-piece 10000mAh power bank kit and a stylish charging dock. Each of the four compact power banks is equipped with built-in 30W USB-C Power Delivery and 12W Lightning cables. The convenient charging dock allows simultaneous charging of all four power banks and features an additional 10W USB-C input/output and USB-A ports for versatile charging. With a multi-protect system and a smart LED screen, Quatro-10 prioritizes safety and keeps you informed about battery levels. Experience a seamless blend of convenience and power with Quatro-10.

Features

4-Piece Power Bank Kit

Quatro-10 includes four compact and portable chargers and a sleek and stylish charging dock to power devices with ease.

Built-In Cables

Forget the hassle of carrying extra cables as Quatro-10 features 4 mini power banks with built-in 30W USB-C Power Delivery and 12W Lightning Cables.

30W USB-C Power Delivery Port

The Quatro-10 power banks have ultra-fast USB-C ports that offer 30W Power Delivery output.

Powerful Battery Capacity

Quatro-10 boasts 4 individual 10000mAh lithium-ion backup battery packs, so you can keep your devices powered up, anywhere, anytime.

Convenient Charging Dock

The charging dock can conveniently charge the 4 mini power banks simultaneously. It also features a 10W USB-A port and a USB-C input/output port.

Multi Protect System

Quatro-10 ensures safe and dependable charging, as it features over-charging and high-voltage protection.

Smart LED Screen

Featuring an LED screen, it will keep you informed on the charge left on your Quatro-10 power banks.
