Spectro-20

Immerse yourself in an audio-visual delight with Spectro-20 – a 20W lantern-shaped speaker that not only delivers outstanding sound but also transforms your space with dynamic RGB lights. Elevate your experience by connecting two Spectro-20 speakers through True Wireless Technology, ensuring crystal-clear sound and an enchanting atmosphere. This stunning speaker boasts multiple connectivity options with Bluetooth v5.3, USB, AUX, or TF Card. With a 10m wireless range, IPX5 water resistance, and a convenient top handle for portability, Spectro-20 is the perfect companion for both indoor and outdoor parties. Let the rhythmic lights set the mood for a spectacular dance party with Spectro-20.

Features

True Wireless Stereo Sound

This brilliant, truly wireless, 20-watt, speaker delivers sound like no other. Connect two Spectro-20 speakers and enjoy True Wireless Technology.

Light Up the Party

Light up any environment as this stunning speaker boasts amazing RGB lights with 4 different light modes.

Easy Music Navigation

Enjoy complete control over music using the built-in quick control buttons for volume, modes, track control, and RGB light control.

4-Way Connectivity Option

Play your favorite tracks as Spectro-20 features a 4-way connection option, including Bluetooth, TF card, AUX, and USB slot.

Long-Lasting Battery

Play your favorite tracks for up to 9 hours as Spectro-20 boasts a 4000mAh battery so you can enjoy all-round entertainment.

Lantern Design

This stylish TWS speaker has a lantern-like shape, with RGB lights, engineered to illuminate the party. It also has a top handle, so you can carry the party wherever you go.

IPX5 Water-Resistance

The water-resistant design featuring IPX5 makes Spectro-20 a perfect companion for your outdoor adventures as well.
