**WORLD'S FIRST 100WATT TRAVEL ADAPTER**

TripMate-GaN100 provides all the power you need whether at home, on a vacation, or in the office. Featuring Gallium Nitride Technology TripMate-GaN100 provides an efficient charging experience, while the auto-resetting fuse keeps your devices safe. Boasting a 2000W AC socket, 4 USB-C Power Delivery ports, and a USB-A QC 3.0 port, this travel adapter lets you simultaneously charge USB-C and USB-chargeable laptops, smartphones, tablets, etc., and power many appliances. Perfect for frequent travelers, the adapter utilizes an innovative slide-out plug design and is compatible with 180+ countries worldwide.

## USB-C Power Delivery
Connect USB-C smartphones and tablets for a quick and safe charge, up to 100W from the four USB-C Power Delivery ports.

## Qualcomm Quick Charge 3.0
Quick charge USB devices, faster than conventional chargers at 12W speeds.

## 2000W AC Output
With 2000W of power, you can plug appliances and smartphone devices into the TripMate-GaN100.

## GaN Technology
GaN components waste less power and produce less heat, thus providing a more efficient charging experience.

## Compact Form
Perfect size and functionality to carry with you when traveling worldwide.

## Simultaneous Charging
With 4 USB-C PD, 1 USB-A QC 3.0, and 1 universal AC outlet, TripMate-GaN100 can power and charge up to 6 power-hungry devices simultaneously.

## Worldwide Compatibility
TripMate-GaN100 supports a broad input range (100-250V) for international voltage requirements. This adapter utilizes an innovative slide-out plug design and is compatible with 200+ countries worldwide.

## Auto-Resetting Fuse
In the event of a short circuit or overload, this adapter will automatically shut down. A few minutes later, the auto-resetting fuse cools down and the adapter can be used normally again without any manual replacement.
